Celebrating Mid-Autumn Festival with Love

A group of supporters engaged with Chi Heng to bring love and blessings to our sponsored AIDS impacted children in China during the Mid-Autumn Festival.

Mooncake Donation and Charity Sale

With the support of Maxim's, a charity sale of Maxim's mooncake was launched from July to August in Hong Kong. This year's charity sale presented 4 selections of mooncakes and several hundreds of mooncake coupons were sold.

At the same time, Tsui Hang Village donated 80 boxes of mooncake to support our charity dinner and village visit in September.

Net proceeds from the charity sale brought most needed funds to our sponsorship program for AIDS impacted children in China.

Village Visit

A group of Hong Kong volunteers organized a trip to Shanxi visiting our sponsored children in September. During the 4-day trip, they spent meaningful time with the children visiting amusement parks and sightseeing spots. They also travelled through rural villages to visit homes of the kids to show care to their families and get first-hand understanding of their situation.

Thanks to all supporters and volunteers for bringing love and warmth to the children and brighten up their Mid-Autumn Festival.

Volunteers share mooncake and gifts with the kids during the trip.

LifeCare Movement

Chi Heng has become one of the supporting organizations of "LifeCare Movement (LCM)" which aims at popularizing LifeCare Education and the Policy Donation Program (PDP) in Hong Kong. The concept of policy donation is very simple. Policyholders can consider donating a certain percentage (e.g.: 99% family members, 1% charitable beneficiary) of the sum insured to any listed supporting charity organizations of LCM.

LCM organizes regular seminars to encourage the public to recognize life and death with a positive attitude, so as to treasure life and to realize the spirit of "LifeCare". Our Chairman Mr. Chung To was invited as guest speaker in the seminar held on 27th September. He shared his vision and inspiring stories with over 100 guests. Learn more about LCM:
