

Chi Heng sponsorship disbursement in Yunnan

Sponsorship for students from primary schools and middle schools in Yunnan were delivered by Chi Heng from May 19th to 28th. Chi Heng has been providing support to students in Yunnan since 2008. Some local families also received material assistance from Chi Heng in the form of food packages. Sponsorship disbursement for this school year finished at the end of June. Over 1,400 students from over 30 villages and counties received financial aid from Chi Heng, reaching a total amount of over 800,000RMB.

10 AIDS impacted children celebrated International Children's Day with Chi Heng, Guangzhou on June 2nd. The children were introduced to each other through ice-breaking activities. Classes in lotus painting were held and the children tried ice skating for the first time in their lives. The children shared their dreams and ambitions with each other during the potluck and talent show. They left with souvenirs prepared by Chi Heng volunteers.

Chi Heng-sponsored kids celebrating Children's Day

On the 19th and 20th of May, Chi Heng's Henan team hosted 20 AIDS impacted children to celebrate Children's Day. During these two days, the children visited the Xinzheng

International Airport and saw airplanes for the first time. They also visited the SIAS International University, made tours of its magnificent campus, watched a 3D movie and even got the opportunity to play golf. The Chi Heng staff then took the children to see the Yellow River, explained its significance and completed the day with speedboat rides on the river. After the event, one child said happily, 'In the past two days, I have felt loved and gained new friendships. I am very happy.'

Some art works by AIDS orphans were exhibited at Benyuan community college in Zhengzhou under the title of "Do You Know? The Story of a Starfish."

The exhibition served as a linkage between children living in the urban area and those living under harsher rural conditions. It demonstrated the persistence and talents of the HIV/AIDS orphans. Some of the younger visitors decided to make paper starfish that would carry their best wishes to their peers. This exhibition was supported by Benyuan Foundation.

On Children's Day, 40 AIDS impacted children from four cities in Central China, celebrated with Chi Heng. The 3-day trip brought them to the Memorial of Ji-Hongchang, and the Taihao Mausoleum in Huaiyang, Henan. The kids had a lot of fun in the zoo, on the lake, and in movie theatres watching a 3D movie. There were 11 children with birthdays falling around June 1st, and for many of them it was the first time that they had celebrated

their birthday amongst friends. The children found it an interesting and touching experience.

On 26th and 27th May, Chi Heng held a summer camp in Henan for 38 AIDS impacted children. With four volunteers and two staff accompanying the children, they visited a national park,

watched a 3D movie, played in the AAAA national tourist attraction Erlang Mountain, rode in boats, and watched performances of ethnic minorities and bird shows. The summer camp gave the children a positive and inspiring experience, helping them to develop stronger self confidence and stay motivated in school.

11 AIDS impacted children from Yunnan had a delightful day with Chi Heng, Yunnan on June 1st. Kids from different cities made new friends whilst enjoying themselves in the amusement park. For them and Chi Heng, it was a celebration of childhood and friendship
