20th Anniversary 周年紀念

2018 marks the 20th anniversary of Chi Heng Foundation. Twenty 20-year-old university students have come to Hong Kong to join the SCB Hong Kong Marathon and Chi Heng New Year Charity Dinner to celebrate the 20th anniversary of Chi Heng together.

SCB Hong Kong Marathon

20 university students started their full and dynamic schedule once they arrived Hong Kong on 19th January. During the 4-day-3-night trip, they spent meaningful time with many volunteers and supporters. They visited the beach for the first time, tour around Causeway Bay and Victoria Park, had dim sum lunch and volunteered at a local charity to play with the kids. Last but not least, they have all completed the SBC Hong Kong Marathon in which 2 of them finished the full marathon with strong determination and endurance.

We sincerely thank for the support of following supporters and sponsors to join hands with us for making the trip a success: Standard Chartered Bank, Jean CK Ho Family Foundation, Wilson Group, ibis Hong Kong North Point, Pestique Limited, Changing Young Lives Foundation, Print-Rite, the shooting team and all helpers.

Volunteer Village Visit in Zhumadian

With the Chinese New Year approaching, over twenty HK volunteers planned and organized a service trip in Zhumadian from 26th to 30th January to show their love and care to Chi Heng sponsored students and their family. During the trip, they visited local farmers' home and brought the students to visit the downtown. May the joy and happiness be with them!

The 1st Live Care Movement Kickoff Ceremony

Mr Chung To was invited to attend the 1st Live Care Movement kickoff ceremony on 28th January organized by Life Care Movement (LCM). He joined with over 100 other guests to support and promote the Policy Donation Program (PDP) to the public.

The concept of PDP is very simple. Policyholders can consider donating a certain percentage (e.g.: 99% family members, 1% charitable beneficiary) of the sum insured to any listed supporting charity organizations of LCM.

You may visit LCM's website (<http://www.lifecare.org.hk/>) or contact your insurance consultant for more details.
